

AREA MANAGER/ AUDIOLOGIST

An opportunity not to be missed

Autonomous sales focused position
Great base and bonus package plus company car
Auckland or Wellington based

If you are an experienced Audiology professional looking to take the next step in your career, ReSound has the opportunity you're looking for. We're looking for a motivated person to join our team as **Area Manager**.

As Area Manager you will:

- Work with clients to promote our range of hearing instruments and accessories.
- Have a clear understanding of the hearing aid marketplace, customer and patient.
- Be able to add value to each clinic visit.
- Work alongside the clinics to assist with the development of their business (as required).
- Have a recognised Audiology qualification (preferred but not essential).

The ReSound office is based in Auckland, but we are flexible on location for the right candidate. The role involves extensive local travel, and some limited international travel.

You will be very comfortable making presentations to both small and large groups. And of course, you will have excellent interpersonal skills and be a great listener, as well as a skilled problem solver.

A strong self-starter, you will enjoy the flexibility that comes with an autonomous position, but with the support of a great team.

ReSound is a global leader in the world of hearing aids. Our products continue to challenge traditional ideas and push technological boundaries.

In New Zealand we pride ourselves on bringing world-class products to our clients backed with a focus on quality customer service from our local team. Our small team enjoy a great working environment, a fun atmosphere and a strong commitment to service delivery.

***If you're looking for an exciting new challenge in a great company,
