

Audiologist required

We are seeking an audiologist to join our friendly team. If you would like to be part of a highly professional and innovative boutique private practice, this could be an opportunity for you.

You will work with an experienced team of audiologists in a fun and motivating work environment. In addition to clinical work, you will have the opportunity to assist in the growth of the practice through involvement in marketing and business development activities.

Russell Hearing places importance on maintaining high ethical standards and strives to provide clinical excellence. We work closely with GPs within our community, and have a great relationship with our local otologist.

This is a flexible position (part-time or full-time), with the opportunity to work in a brand new clinic at Botany Town Centre. Two other clinics are currently operating in South and Central Auckland.

This job is suited to both to an audiologist who is a new graduate, or one who has experience, and their certificate of clinical competence.

All queries will be treated with confidentiality. Applicants should contact Emma Towns via e-mail emma.t@russellhearing.co.nz.

**Closing date for applications
is Friday 20th November 2009.**
