PHONAK NEW ZEALAND

VACANCY - SALES & AUDIOLOGY TEAM

PHONAK NEW ZEALAND
Phonak is part of the Sonova group and is a leading hearing instrument manufacturer worldwide. By creatively challenging the limits of technology, Phonak delivers innovations that help people to hear, understand and experience more of life’s rich soundscapes. Phonak New Zealand strive to provide the highest level of service and support to both hearing healthcare professionals and hearing impaired people within New Zealand. This commitment to quality service and support sees us celebrate our 25th birthday in 2016, and we believe will ensure ongoing success in the years to come.

VACANCY
A 1.0 FTE vacancy has become available in our vibrant Sales & Audiology team. The successful candidate will have a master of Audiology degree (or equivalent) and at least 4 years of clinical experience. Other key attributes include:

- Excellent written and verbal communication skills, including being comfortable presenting to small and large audiences
- A high aptitude for analytical thinking, allowing rapid, accurate trouble shooting and problem solving.
- An ability to perform critical analysis and think on your feet.
- A motivated individual who can work well as part of a team but also independently when required.
- Excellent time management and organisational skills.
- Flexibility to travel on a regular basis.
- Proficient computer skills, including experience using Excel and/or Access for data analysis.

Previous experience in sales and marketing would also be highly advantageous. An attractive remuneration package is offered commensurate with the roles and responsibilities of this position.

So if you are looking for a new challenge and this role sounds like you, please contact David Crowhen, Manager – Sales & Audiology Team or Mike Sharp, Managing Director to discuss this opportunity further. All enquiries will be treated in the strictest confidence.
