Northland District Health Board is seeking Audiologist (0.4FTE)

Northland DHB, Whangarei, New Zealand

Northland District Health Board is looking for an Audiologist to join our team and work alongside four experienced and passionate Audiologists.

Our department provides a comprehensive Audiological service with a paediatric focus. You will be working with children and adults to provide excellent diagnostic assessment and rehabilitation services for our region. This position would suit an experienced audiologist, but we will also consider a new graduate for this role. Applicant must have a minimum of a Masters degree in Audiology. Supervision will be provided to complete the Certificate of Clinical Competence of the New Zealand Audiological Society as required. We have a strong team culture where interpersonal communication, respect, and continued education is supported.

Our team is committed to providing a quality service to our community. To do this we work closely with the ENT department as well as with Paediatricians, AODC's, Newborn Hearing Screeners, and SLT's. If you think you would like to be a part of our team and enjoy the unique lifestyle opportunities, and affordable accommodation, Northland has to offer, we look forward to hearing from you.

For any further information about the position please contact Daniel Robertson, Charge Audiologist at Whangarei Hospital daniel.robertson@northlanddhb.org.nz or phone 09 430 4101 extension 7112.

Job Description and Official Application Form are available from our website www.northlanddhb.org.nz/careers or by contacting Recruitment Officer, Tel: +64 9 430 4101 ext 60689, Email: jobs@northlanddhb.org.nz, Postal: c/o Northland District Health Board, Private Bag 9742, Whangarei 0148, New Zealand

Vacancy No: AH18-229

Closes: 2 November 2018
