

MNZAS Audiologist Opportunity Hamilton Full-time or Part-time

Established in 1960 by a passionate team of ENT specialists, Dilworth Hearing has been pioneering the audiology industry in New Zealand for over 50 years. Dilworth Hearing are also a part of Amplifon which gives our team members access to ongoing development and leadership opportunities with the support of the global leader in hearing care.

Dilworth Hearing is well known for providing diagnostic and rehabilitative care to patients of all age groups. We care about achieving the best hearing outcomes for our patients through gold standard care. Our clinics foster strong working relationships with GPs and ENTs with many referral based patients.

We are looking for MNZAS Audiologists to join us at our thriving Hamilton clinic on a full-time or part-time basis.

If you are a self-motivated Audiologist looking for variety in your work and great career and development opportunities, then we would love to hear from you.

If the above sounds of interest to you please send your application to melita.lawn@amplifon.com with a full CV and covering letter
