

# Love life at bloom™ hearing specialists

We know you've studied for a long time and you're committed to your clinical career. To see a client's life change through improved hearing is your greatest motivation, that's why it's vital you link yourself to an environment that you will love as much as we do.

We have amazing opportunities across New Zealand that will see your customer orientated values align with our own. We are passionate about providing the right level of autonomy and support ensuring our team reach their full potential.

With diverse progression pathways that ensure individual's strengths and interests are leveraged, along with opportunities for supported relocation.

Now is the time to join the bloom family

## Nelson

Establish your Audiology career in one of the most beautiful locations in the world. Our Nelson clinic has a wonderful client base and you will see yourself providing outstanding customer solutions for this great community. You will also reap the rewards of having true work life balance with so many options for hiking, kayaking, art galleries and wineries all on your doorstep.

## Paraparaumu

Paraparaumu is a magnificent city with culture and sophistication in spades. Due to continued growth we have a brilliant role available for a Clinician looking to establish themselves in the lively hub that is Paraparaumu. The clinic has gone from strength to strength and we are looking for you to join us!

## Christchurch

In the bustling city of Christchurch you will propel your career forward in this rare opportunity in a state of the art clinic. You will see yourself providing innovative solutions to people's lives through better hearing. Christchurch offers greenery, bike paths and heritage all in the one fantastic location. What a great place to work!

## Whangarei

In the wonderful Northland surf coast, you can combine the very best in beach lifestyle and a fulfilling career. With the opportunity to run a clinic end to end and the support of solid infrastructure.

**These are just some of the amazing opportunities we have available in the bloom family. If you have an interest in another location or perhaps a move to Australia, then we would love to hear from you.**
