

Audiologists Christchurch & Blenheim

Full Time, Part Time and Fixed Term

We have two permanent opportunities available for full or part time Audiologists to join our team. Make beautiful Blenheim home and enjoy all that the wonderful region has to offer or base yourself in Christchurch and join our team of Audiologists there.

We are also looking for an Audiologist for a fixed term 3 or 4 month placement and we will offer support with travel and accommodation costs.

House of Hearing is a family-oriented business offering flexible working hours. We understand the importance of creating a work life balance so that you feel fulfilled in your career while looking after the most important people in your life.

We help to reconnect our clients with the world and reinvigorate their lives, offering independent and affordable hearing care, with a strong focus on customer care and professional, friendly service.

Now under new management and with the support of international company, Sivantos, House of Hearing is a fast growing organisation and, as such, can offer future leadership opportunities to the right candidate, along with:

1. A highly competitive salary with an optional incentive component
2. An opportunity to join a team of passionate and highly skilled professionals
3. Diversity and flexibility in your work day and hours to suit you
4. The confidence that comes with working for a well established and trusted hearing organisation
5. Opportunities to attend industry conferences
6. A remuneration package to suit your specific needs and inclusive of a variety of lifestyle benefits
7. A unique opportunity to help shape the future of the company as we grow and develop

If you are ready for the next step in your career and believe in delivering the highest standard of clinical care then apply to join our professional team of Audiologists.

Please call or email us for a confidential discussion.
