

Total Hearing Care is offering the opportunity to an experienced audiologist to join our team.

We are an independent family owned and operated business with strong belief in service to our patients and supporting each of them to better hearing outcomes.

Currently we have clinics in West Auckland and Waikato however we are about to open a new clinic in South Auckland.

Opportunities available in Auckland and Waikato.

The position is offered is part time or full time and an attractive remuneration package to suit- including flexible work hours, competitive salary.

As an independent practise, we offer you the full choice and freedom of hearing devices and encourage ongoing training opportunities.

If you have been considering the idea of being part of a expanding professional independent family business where your contribution matters, please consider this offer.

Successful applicants are required to be a fully qualified MNZAS audiologist, ability to work mainly in the hearing rehabilitation, ACC and private clients.
