Part time Regional Audiology Manager New Zealand

Autonomous Sales focused position Great base and Bonus package plus company car New Zealand based

If you are an experienced Audiology Professional looking to take the next step in your career Otometrics has the opportunity you have been looking for. We are seeking a motivated person to join our busy sales team as a Regional Audiology Manager.

As Regional Audiology Manager you will:

- Have a recognised Audiology Qualification.
- Work with other Audiology professionals to inform and educate them on our range of products.
- Have an understanding of the Australian and New Zealand hearing equipment market place including both practitioners and patient needs.
- Have an interest in Hearing aid fitting and Vestibular or Evoked potential assessment.
- Have a keen interest in gadgets / equipment and how they work.

The role involves extensive local travel in New Zealand, and over a defined territory of responsibility and some international travel mainly to Australia.

Our ideal candidate will be a strong self-starter, who is comfortable making presentations to both small and large groups, and will possess excellent, interpersonal skills including being a good listener and the ability to problem solve.

Otometrics is part of Natus Medical which is an American company and one of the world leaders in hearing technology. Otometrics is engaged in the design, manufacture and provision of solutions for hearing assessment, fitting and testing, and balance assessment. These are based on such world-renowned names as Madsen, Aurical, ICS Charter and Hortmann.

You will be part of an ANZ team that pride ourselves on bringing world-class medical devices and services to our clients through our strong focus on quality customer service from our local team. Our team enjoys a fun atmosphere and a strong commitment to service delivery

If you are looking for an exciting new challenge in a great company, then we would like to talk with you today.
