HearingLife grows and grows!

(22 Clinics North Island and 8 South Island).

- **Experts** in hearing – setting the standard for the industry.
- **Quality** is at the centre of our performance.
- **Your Future.** Build your career –work locally and belong to global team.

HearingLife is the result of some of New Zealand's leading clinicians coming together to create a company which values Clinical Excellence and Superior Client outcomes above all. We are part of the William Demant Group who are one of the world's leading hearing healthcare companies, and we cover all areas of hearing care. From Diagnostic instruments and traditional hearing aids to cochlear implants and bone-anchored hearing solutions. But more than anything else, we are in the business of making a life-changing difference for millions of people across the world.

If you believe in delivering the highest standard of client focused service and are keen to join a passionate team of clinicians in a growing audiology company then contact us now!
