

## **Audiologist**

### **Clinical Support Service**

#### **Permanent, Full Time (80 hours per fortnight)**

Lakes District Health Board is seeking a dynamic health professional to work with and support our dedicated Audiology team.

If you like to work in a team that puts the patient at the centre of everything it does, is collaborative, creative, collegial, and you have the right qualifications and experience, please consider this potentially as your next job. As a Staff Audiologist you will have strong clinical and professional skills, enjoy a challenge and have a passion to succeed.

We are looking for a person who has a proven clinical background in Audiology and who enjoys working with young children and their families. The successful applicant will be required to hold a Masters Degree in Audiology or an equivalent qualification that is recognised and approved by the New Zealand Audiological Society (NZAS). You will also be a member of NZAS or be eligible for membership, and either hold or be working towards a current Certificate of Clinical Competency.

More information on this role can be obtained by contacting Aura Ramos, Team Leader, Audiology, Clinical Support Service on (07) 349 7955 Ext 8870.

**Apply online via our website [www.lakesdhb.govt.nz](http://www.lakesdhb.govt.nz)**
