## Why Audika

Audika has 30 clinics across New Zealand and over 400 clinics across Australia, who provide hearing services to our valued clients. We strive to put hearing care on the healthcare agenda and to improve the quality of life of people living with hearing loss. We are rapidly growing and we have new clinics opening soon.

Become a part of a fast-growing global business that offers best in class hearing care and expands career offering extensively.

At Audika we understand the importance of your internship year and setting a strong foundation for your career. Our Clinical Graduate Program is tailored to provide a high level of support as Graduates navigate their early career.

We have built an industry-leading program which aligns with professional body requirements, offering a seamless pathway for graduates to achieve their NZAS Certificate of Clinical Competence (CCC) with ample guidance and support along the way.
