

**Join Audika,  
we know hearing.**

## **Audika welcomes Audiology Students to apply for the 2023 Clinical Graduate Program now.**

At Audika we welcome students in their final year to express their interest in joining our Clinical Graduate Program.

We have just started the recruitment for 2023 Clinical Graduate Program.

Our team of clinical experts and trained supervisors will help set you up for success and aim to provide you with in-depth and thorough clinical training and upskilling required to pass your Certificate of clinical competence (CCC) with the NZAS.

Express your interest if you want to learn more about the opportunity.

**Send an email with your CV to [careersANZ@audika.com](mailto:careersANZ@audika.com)**

\*Keep you eyes open for our upcoming clinical graduate dinners where you will hear more about Audika graduate program.

**Join the  
team**

## Why Audika

Audika has 30 clinics across New Zealand and over 400 clinics across Australia, who provide hearing services to our valued clients. We strive to put hearing care on the healthcare agenda and to improve the quality of life of people living with hearing loss. We are rapidly growing and we have new clinics opening soon.

Become a part of a fast-growing global business that offers best in class hearing care and expands career offering extensively.

At Audika we understand the importance of your internship year and setting a strong foundation for your career. Our Clinical Graduate Program is tailored to provide a high level of support as Graduates navigate their early career.

We have built an industry-leading program which aligns with professional body requirements, offering a seamless pathway for graduates to achieve their NZAS Certificate of Clinical Competence (CCC) with ample guidance and support along the way.
