Speak to us today about
your next career move

- ✓ Modern hearing care experts
- ✓ Quality client service standards
- ✓ Global leader in innovation

Audika is part of Demant, a world-leading hearing healthcare group that offers solutions and services to help people with hearing loss connect and communicate with the world around them. Worldwide the group employs more than 14,000 staff in more than 30 countries and distributes hearing healthcare and intelligent audio solutions to people in more than 130 countries.

Audika has 30 clinics across New Zealand and over 400 clinics across Australia, who provide hearing services to our valued clients. We strive to put hearing care on the healthcare agenda and to improve the quality of life of people living with hearing loss.

As a valued member of the Audika team, you will join this effort to help people reach their full hearing potential.
